## NJ State Assemblywoman Celeste Riley

### What's Happening in Trenton from Her Perspective as a District 3 Representative?

Please join us as we hear from NJ District 3 Assemblywoman Celeste Riley about her efforts on behalf of area residents and businesses and her view of what is happening in our state government.

Assemblywoman Celeste M. Riley was sworn into the General Assembly on March 16, 2009, where she represents New Jersey's Third Legislative District. Assemblywoman Riley is the first woman to represent this district in the New Jersey State Legislature. Assemblywoman Riley serves as Chairwoman of the Assembly Higher Education Committee, Vice-Chair of the Tourism and Arts Committee and is a member of the Transportation, Public Works and Independent Authorities Committee. In the past she has served as Vice-Chair of the Assembly Agriculture and Natural Resources Committee and has served on the Health and Senior Services and Housing and Local Government Committees.

As the former Vice-Chair of the Agriculture and Natural Resources committee, Assemblywoman Riley is an advocate for the "Garden State" and believes New Jersey should promote industries that enhance its agricultural roots.
